

community flood plan

Parishes and communities working together

Community or group	South Milton	Address	TQ7 3JQ
Floodline Quickdial Number		Which Environment Agency flood warnings are you registered to receive?	None. EA does not issue flood warnings for South Milton, only flood alerts
Local flood warning trigger <i>i.e. when water reaches bottom of the bridge</i>	Amber rain warning issued by the Met Office		
Date	20 Nov 2020		

Contents

1. Actions to be taken before a flood

- A - Locations at risk of flooding: flood warnings
- B - Locations at risk of flooding: locations at risk of flooding / sources of flooding
- C - Locations at risk of flooding: map showing direction of flooding

2. Actions to be taken during a flood

- A - Local flood actions
- B - Local volunteers / flood wardens
- C - Important telephone numbers
- D - Available resources
- E - Arrangements between authorities
- F - Vulnerable residents, properties and locations

3. After a flood

- A - Reputable contractors

1A – Locations at risk of flooding: Flood warnings & actions to be taken

From the information you have available, make a list of areas liable to flood and the level of warning which would affect them.

Area number	Location of risk	Trigger level	Actions
Area 1	Old School House	Amber rain warning	<ol style="list-style-type: none"> 1) Before each winter clear obstructions from the stream up and downstream of the Old School House 2) Regular maintenance of road drainage 3) Place sand bags at openings
Area 2	Wakeham Farm Junction		Regular maintenance of road drainage
Area 3	Hllingsdown Cross		Regular maintenance of road drainage
Area 4	Backshay		Regular maintenance of road drainage in Backshay close
Area 5	Links Road		Regular maintenance of road drainage and clearance of drainage path in field
Area 6	Pinhays		Regular maintenance of road drainage
Area 7	Lane End		Regular maintenance of road drainage
Area 8	Sutton telephone exchange		Regular maintenance of road drainage

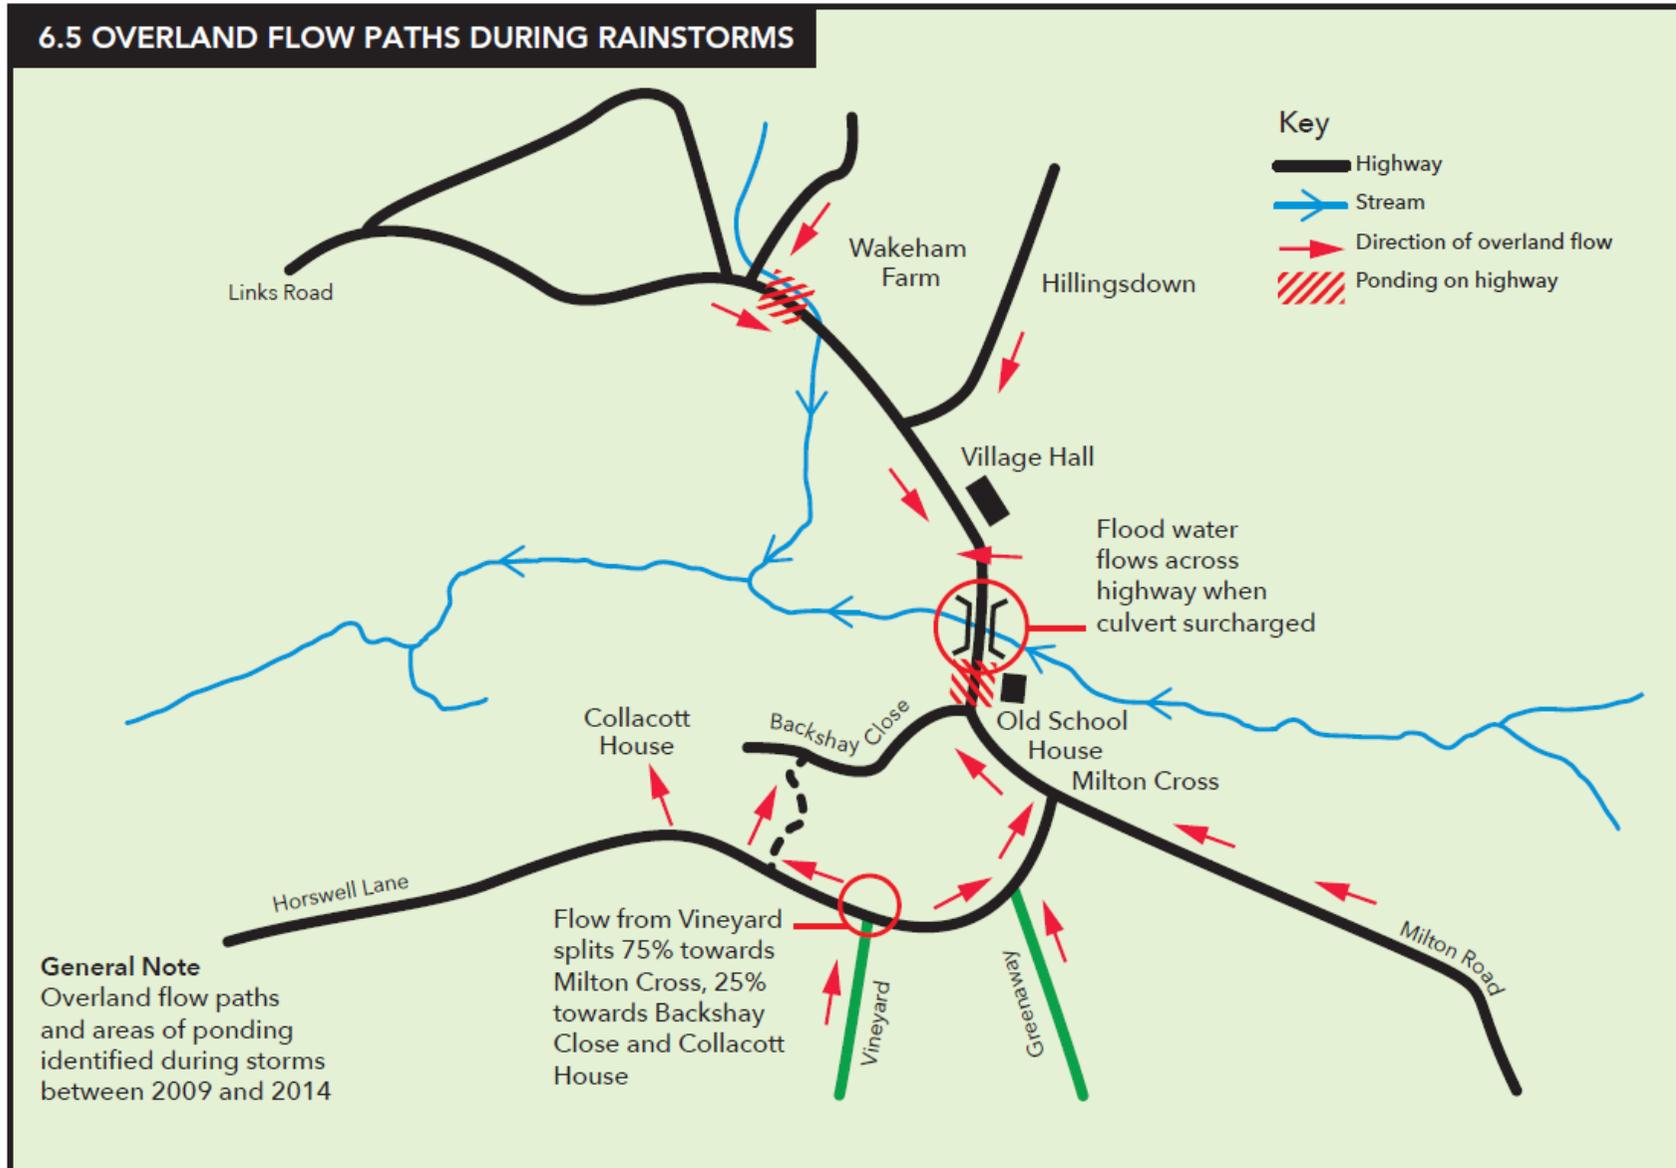

1B – Actions to be taken before a flood: Locations at risk of flooding / source of flooding

Insert details of areas at risk from flooding and the direction of flooding. Include maps and if possible, details of existing defences.

Area number	Location at risk	Source of flooding	Direction of flooding
Area 1	Old School House	<ol style="list-style-type: none"> 1) Overland flow down road due to inadequate drainage and lack of maintenance. 2) Stream overflow 	See map. Also overflow from stream which bypasses culvert and flows across road on between Old School House and Village Hall when culvert surcharges
Area 2	Wakeham Farm Junction	<ol style="list-style-type: none"> 1) Overland flow along/across junction due to inadequate engineered drains and lack of maintenance 2) Poorly engineered junction between piped stream and road drainage 	See map
Area 3	Hillingsdown Cross	Overland flow due to drains not being able to capture runoff on steep road	Down Hillingsdown and across junction
Area 4	Backshay	Overland flow from Vinyard running down footpath into Backshay due to lack of road drainage.	See map
Area 5	Links Road	Road floods whenever the drainage becomes blocked due to lack of maintenance	Ponding across full width of road
Area 6	Pinhays	Road floods whenever the drainage becomes blocked due to lack of maintenance	Across road
Area 7	Lane End	Road floods whenever the drainage becomes blocked due to lack of maintenance	Ponding across full width of road
Area 8	Sutton telephone exchange	Road floods whenever the drainage becomes blocked due to lack of maintenance	Ponding across road

1C – Actions to be taken before a flood: Map showing direction of flooding

Include a map in the flood plan showing the flood risk area and direction of flooding (copied from SMNP).

2A – Actions to be taken during a flood: local flood actions

Identify local flood actions.

Area number	Location at risk	Action / trigger	Local action	Equipment required	Time required
Area 1	Old School House	Heavy rain	Keep drainage gratings and openings clear	Shovels, forks and brushes	Indeterminate
Area 2	Wakeham Farm Junction	Heavy rain	Keep drainage gratings and openings clear	Shovels, forks and brushes	Indeterminate
Area 3	Hillingsdown Cross	Heavy rain	Keep drainage gratings and openings clear	Shovels, forks and brushes	Indeterminate
Area 4	Backshay	Heavy rain	Keep drainage gratings and openings clear	Shovels, forks and brushes	Indeterminate
Area 5	Links Road		No practical action possible during flood		
Area 6	Pinhays		No practical action possible during flood		
Area 7	Lane End		No practical action possible during flood		
Area 8	Sutton telephone exchange		No practical action possible during flood		

2B – Actions to be taken during a flood: local volunteers / flood wardens

List local volunteers/flood wardens that could be contacted in an incident. They may be required to lift heavy sandbags so should be reasonably active or fit. Consider using other volunteers such as communicators, administrators or minders of vulnerable people during an incident. These volunteers could be registered on the Environment Agency’s Floodline Warnings Direct service so they receive the flood warnings. **Volunteers must not put their own life at risk.**

2C – Actions to be taken during a flood: Important telephone numbers

Make a list of important telephone numbers so all the information you require during an incident is readily available.

Organisation	Telephone (office hours)	Telephone (out of hours)	Fax
Floodline			
Environment Agency			
District Council			
County Council – Highways	0345 155 1004	0345 155 1008	
County Contracting			
Fire & Rescue Service			
Police			
Ambulance Service			
Housing Unit			
Environment Unit			
Water Company			
Electricity Company			
Gas Company			
Telecommunications Company			
Adjacent Town/Parish Councils			

2D – Actions to be taken during a flood: Available resources

Identify available resources.

Organisation	Resource	Number	Location	Notes
Geoff Bell	Farm machinery	01548 560526	Upton Barton	Frontend loader and trailer to remove debris
Ken Luscombe	Farm machinery	01548 560680	Shute Farm	Frontend loader and trailer to remove debris
Tom Darke	Farm machinery	07743 942789	South Huish	Frontend loader and trailer to remove debris
Martin Berryman	Farm machinery	07974 405048	Whitlocksworthy	Frontend loader and trailer to remove debris

2E – Actions to be taken during a flood: Arrangements between authorities

Details of specific arrangements between the various authorities to be included here.

Organisation(s)	Agreed arrangement
None advised	

2F – Actions to be taken during a flood: Vulnerable residents, properties and locations

List vulnerable people, properties and locations where early assistance may be required.

Name	Address	Daytime telephone	Evening telephone	Assistance required
	Old School House			Placing sand bags & keeping road drains and openings clear

3A – After a flood: Reputable contractors

List companies/reputable contractors whose help you may need after a flood. Get contracts in place, or know who to call for assistance. If help is not needed, you can leave this section blank. If you plan to do the work yourself, leave this section blank.

Company name	Business (e.g. builder)	Telephone	Fax
Rodney Stidson	Earthworks/drainage contractor	01548 560586	
Robert Luscombe	Builder	07929136138	
Andy Elliott	Builder	07815919159	
Pittman Trees	Tree surgeon	07817318661	
Rory Sanders	Earthworks/drainage contractor	07582026081
